

A message from our team

Since 1999, Su Casa has envisioned a thriving and valued Latino community that benefits all of us. Our mission is to increase self-sufficiency, health, economic independence, education, and ensure Latino families feel safe and belong here. In 2023, Su Casa served over 1200 households with equitable access to support and tools in our community.

Partnership and collaboration were essential to meet the needs of a growing Latino community. In 2023, we partnered with the Council for Youth Development to provide mental health first aid trainings for adults and teenagers in Bartholomew and Jackson County. We also partnered with Foundation for Youth to host METAS (Making Education Thrive Around Summertime), a summer camp dedicated to engaging youth in math and reading curriculum as an entryway to discuss culture, identity, arts, and design.

In 2023, our Community Health Workers and volunteer networks provided programming to engage families in healthy activities such as mental health workshops, outdoor exercise, homework help groups, and accessible education around maternal health and heart health.

The Diversity Gala is one of our most cherished collaborative events. Amongst the food, fun, and music, Cummins GOAL ERG provided over 1000 hours of volunteer time to make the Diversity Gala a night to remember!

For 2024, we will continue to work with a collaborative spirit to engage families in healthy activities and learning.

We thank you for your continued support of our mission, and invite you to be a partner in this work by sponsoring one of our events or programs in 2024.

Ashley Caceres
